

ERASMUS+

CHANGE YOUR LIVES, OPEN YOUR MINDS -THE PROJECT

Erasmus+ is a project that aims to open the school to new different realities offering the possibility to compare at different levels -

personal, social and cultural – thanks to **international experiences**, exchanges and contacts.

For a quality school, teacher training is a key factor if it is enriched by experience in European educational environments that allow a wider professional development and encourages

students differently so that they can reach better results both at school and in the life.

A good opportunity has been offered by **Spanish Erasmus+ National Agency**, that on behalf of the European Commission, supports and finances mobility for individual learning for the school staff.

GIVE 5 HLT

GIVE 5 : A HEALTHY LIVING TOOLBOX

GIVE 5 HLT is a KA219 transnational project, that is **strategic partnerships** for schools only, from **2017 to 2019**.

Funded with support from the **European Commission**, its main purpose is social inclusion of all students, the acquisition of skills and competences, the strengthening of the teaching profession.

The name of the project is the acronym of “GIVE 5 : A HEALTHY LIVING TOOLBOX”.

GIVE 5 HLT symbolizes both a challenge and a chance in the future.

It is a “**challenge**” because it is a partnership with organizations of different countries in Europe with their own culture and traditions.

It is a “**chance**” because this project offers the possibility for students to exchange opportunities and cultural experiences with students of partnership schools strengthening **integration** and promoting the social dialogue at European level.

THE PROGRAM

MOBILITIES: POWERFUL LEARNING ACTIVITIES FOR TEACHERS AND STUDENTS.

GIVE 5 HLT covers four transnational learning mobilities for students and teachers “Learning, Teaching, Training Activities” at the partner schools and four transnational project meetings only for staff at four partner schools in Poland, Romania, Lithuania and Turkey.

Promoting learning and using English language, the project aims to involve teachers, students, families, associations and citizens in an International education. Through a path of cultural exchange, GIVE 5 HLT represents a very important training to be a new European citizen.

The journey leads to discover new countries and cultures, encourages students to open up to the world and the future, to expand knowledge and cultural horizons, but above all helps them to the self-discovery.

COMMUNICATION

COMMUNICATION & DISSEMINATION

Integration, interaction, exchange and dialogue are the goals of GIVE 5 HLT project whose objective is to be a cultural trend to overcome

prejudices and diversities. Activities and planning experiences develop on solid communicative basis

focusing on disseminate the project at national and international level.

Dissemination is the process of making the results and deliverables of a project available to the stakeholders and to the wider audience. Dissemination is essential for take-up, and take-up is crucial for the success of the project and for the sustainability of outputs in the long term.

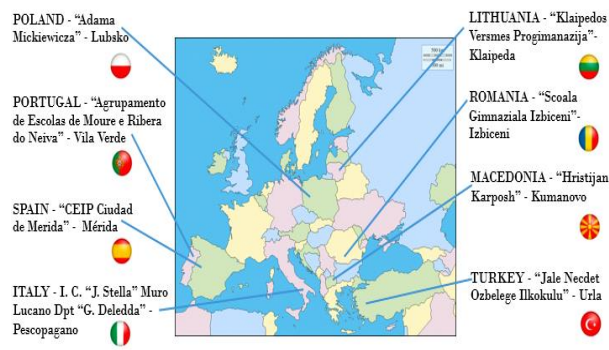

Flyers, Blogs, posters, Web site

and **eTwinning** will be used as effective tools for the **dissemination** of the project, they also have a great impact on society.
